## Message from the Principal

Hello White Cliffs Families,  
March is going to be a quick month with two weeks off for spring break, unless your student attends Spring Intercession. Spring Intercession will be held at Kingman Middle School during the week of the 13th-17th. If your student needs to attend Spring Intercession for point recovery they received a permission slip in February. If you did not see the permission slip and/or feel they should go to intercession please contact the main office and we will send a permission slip home with your student. Students who do not need point recovery can also attend Spring Intercession and take advantage of the enrichment programs that will be offered.

We would also like to remind families that there will not be summer school

this year for WCMS students. For students who need point recovery and/or extra help they must attend afterschool tutoring and/or Friday school. If your student is struggling now is the time to get them help.

**WOLF DRIVE WEDNESDAY**  
Wednesday, March 8 will be our monthly Wolf Drive. Students may bring in a spiral notebook or a package of lined paper to the office. By bringing in a spiral notebook or lined paper to the office students will receive a stamp on their hand indicating they have received a free dress day!

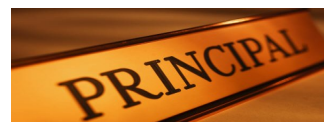

Thank you for your continued support!

### Student safety is our priority:

- ◆ Be sure to have go home instructions for your students made before they leave for school.
- ◆ If your student brings an electronic device to school make sure they are securing it by keeping it on them or in their back pack.
- ◆ When picking up your student be sure to do so before 2:50, we will not be able to pull them out after that time due to safety and end of day activity. Also have your ID with you.

### Parking Lot Procedures

Due to recent complaints we just want to remind everyone to please pull all the way forward when dropping off your student. This will allow several students to be dropped off at once.

If your student needs to get in the trunk and take extra time, please find a parking spot. Do not cut through or pass vehicles in the parking lot. This just creates congestion and an unsafe environment for students.

We all should share the same goal of keeping our students safe.
