Fax: (928) 753-6910

Assistant Superintendent
Mrs. Jeri Wolsey

January 25th, 2020

Dear Kingman Unified School District Parents/Guardians:

KUSD is the proud home to many wonderful school campuses. Our goal on each campus is to provide students access to the four A's: **Academics, Arts, Athletics and Activities**. We take great pride in offering students and families a comprehensive education and programs designed to meet the needs of all learners. Whether your student plans to enter college, start a career, or join the military, we are confident an education with KUSD will prepare him or her for the challenge.

Your student will be automatically enrolled in the school you are zoned for based on the primary address in our computer system. If you are not certain whether which school you are zoned for, you can ask the attendance clerk at your school or call 928.753.5678 and speak with Jesse Grimm.

KUSD Board Policy states that open enrollment applications shall be available for all schools. If you are interested in attending the school outside of your zone, please submit on or before **May 1st** a completed open enrollment request. Policy JFB-R states that all applicants will be accepted if there is space available. Applicants will be accepted on the basis of the date and time of the application unless policy indicates otherwise. Capacity may be determined by overall school numbers or by specific program space, i.e. Career and Technical Education courses or Cambridge.

Feel free to stop by your school and meet with the administrative teams and staff. Guidance counselors are also available to answer any questions you may have.

Sincerely

Gretchen Dorner
Superintendent
