SCHOOL AND OFFICE HOURS

School begins for students at 7:20 a.m. The first bell rings at 7:15 a.m. The school day ends at 3:20 p.m. The school's front office is open from 6:50 a.m. until 4:00 p.m.

VISITOR PASSES

We welcome all visitors, however, for the safety of our campus, all visitors must report directly to the White Cliffs Middle School Office and sign in. Students from other schools are not allowed as visitors during our school day unless they have received prior written permission from an Administrator.

WANT TO KNOW HOW YOUR CHILD IS DOING IN SCHOOL?

- Access your student's grades and attendance anytime using Parent VUE at <https://parentvue.kusd.org/>
- Attend our awards assemblies for each semester.
- Engage your student daily about his/her progress and how things are in school.
- Call or e-mail your student's teachers.
- Attend parent-teacher conferences.
- Review progress reports and report cards.

ATTENDANCE

- Regular attendance contributes to success in school. At White Cliffs Middle School, attendance is one of our highest priorities.
- It is our objective to assist students in developing more responsibility and to maintain acceptable attendance behavior.
- Parents' strong commitment to see that their children attend school daily and arrive on time is critical.

STUDENT DROP-OFF AND AFTERNOON PICK-UP TIMES

Parents are reminded that students are to be dropped off and picked up in the parking lot in front of the office. Drop-off time should not be earlier than 30 minutes before school starts. Scheduled supervision does not begin until this time. White Cliffs Middle School cannot be responsible for your child if he/she is dropped off at an earlier time. Students being picked up after school must wait for their rides on school grounds. School officials will supervise them until all buses are gone. There will be no adult supervision after 15 minutes afterschool, unless the student is in an organized after-school activity. The school cannot be responsible for pick-ups after that. Regarding after school activities, supervision will be provided up until 15 minutes after the conclusion of the event. The school cannot be responsible for pick-ups after that time.

ABSENCES

When a sickness or other obligations make an absence necessary, we request that parents call the White Cliffs Attendance Office at 753-6280, the morning of the absence. If we do not receive a phone call, parents are notified of the student's unverified absence via our automated phone system the same day.

If a student is absent for more than one day, please call each day. An unexcused absence will occur if we cannot verify the absence from phone contact or written communication. Absences shall be excused only for necessary and important reasons including illness, bereavement, other family emergencies, observances of major religious holidays of the family's faith, and doctor's appointments that cannot reasonably be scheduled during non-school time. School administrators may deem absences for family vacations as excused as long as the absences are arranged at least 48 hours in advance and are limited to no more than five days per semester. School administrators have the

WOLVES GUIDELINES

authority to deem family vacations as unexcused absences if the student already has excessive absences or is making unsatisfactory academic progress. A student is provided one day of make-up per each day of excused absence.

Please work to schedule vacations and appointments outside of the regular school day. If an absence is planned, please make arrangements with the student's teachers for make-up work.

TRUANCY

Unexcused absences may be deemed as truant. Truancy is a violation of state and local attendance laws and is considered a serious offense. Continued truancy may result in legal action against the parents or guardians. The Arizona Compulsory Attendance Law makes it the legal responsibility of parents to have their children in school on a regular basis.

ARRIVING LATE OR LEAVING EARLY

Students who report after the first bell must report directly to attendance and get a pass before going to class.

When picking up your student be sure to do so 30 minutes before the first bell, we will not be able to pull them out after that time due to safety and end of day activities.

Students may not check themselves out of school. Only authorized persons who present photo identification may check a student out.

LEAVING A MESSAGE FOR YOUR STUDENT

If you need to leave a message for your student, please do so before 2:30 to ensure your student receives it. Be sure to have go home instructions for your students made before they leave for school.

MISSING ASSIGNMENTS

Upon returning to school, students will be responsible for collecting and completing missing assignments. Make-up work should not exceed one week from the time a student returns to school following an absence.

HOMEWORK REQUESTS

A request for homework can be made at the time the absence is called in. Requested work may be picked up the following day. Work may also be sent home with another student the following day. Another way of checking on homework is by emailing individual teachers through **ParentVUE**.

WITHDRAWING FROM SCHOOL

All students withdrawing from White Cliffs Middle School must check out through the school office and take a copy of the withdrawal form to the next school they will be attending. It is helpful if you can provide the WCMS office with your new address and the name of your new school at the time of withdrawal. Students who withdraw are responsible for returning all books and paying for any lost or damaged books. This includes library books and textbooks.

INCLEMENT WEATHER

In cases of inclement weather, a district one call will be sent out. School will begin 3 hours later and no lunch will be served.

WOLVES GUIDELINES

AWARDS

Students may earn awards at our semester awards assemblies for their grades: Principal's Award, High Honor Roll, and Honor Roll. Students are also recognized for their achievement and improvement on benchmark assessments, plus each grade level recognizes Students of the Year in each academic & specials area.

BIKES and WALKERS

Due to our location on Prospector Street, students need to be extremely careful when walking or riding bikes to school. Students are expected to cross at the designated areas and follow the walking routes. Bikes, scooters, and skate-boards must be locked in the bike area.

CAFETERIA

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. CELL PHONES & OTHER ELECTRONIC DEVICES

Items such as iPods, CD Players, electronic games, and cell phones are not allowed to be used during the school day except during the student's lunch period, with the following exception. White Cliffs will be continuing its "Bring Your Own Device" program, where students will be permitted to use their cell phones, iPods, tablets, etc. **when the teacher has planned a curriculum-based activity in the classroom.** Students will be expected to use their technology appropriately during that class and **have it turned off and put away at all other times during the school day**

KUSD #20 recognizes that parents desire the ability to communicate with their child, especially after school hours. We also recognize that parents would like to be able to be reached in case of emergency. We have to realize that in the event of a school-wide emergency, student use of cell phones may interfere with emergency and school personnel responding to the emergency. Therefore, we are following this guideline:

Cellular telephones and all personal communication devices are to be turned off during the school day. Class interruptions by the use of cell phones or other communications devices will result in the confiscation of the device and other appropriate discipline action. Any confiscated phones or personal communication devices will be returned only to parents/guardians.

WOLVES GUIDELINES

Please keep in mind that additional consequences will occur for a student who not only violates our policy, but also uses a cell phone or electronic device in such a way that breaks other school rules. **The school is not responsible for lost, stolen or damaged items.**

Please also know that students are permitted to use the office telephone or classroom telephone only with permission or a pass from a teacher. Please keep telephone calls short. No student will be called from class to receive a telephone call.

FIRE DRILLS AND EMERGENCY DRILLS

Fire and emergency drills are held regularly. Students will be instructed by each of their classroom teachers as to which exit they will use when vacating the building. Students should adhere to the following rules when the alarm sounds to leave the building:

- Keep in single file.
- Stay quiet to listen for announcements.
- Do not run, but move quickly and quietly to a designated area until instructed to return to the classroom.

Always remember: IT COULD BE THE REAL THING. Observing the above rules will ensure the safety of all.

Any student who falsely reports a fire or rings the fire alarm without cause will be subject to suspension from school and will be reported to the county Fire Marshall for legal action.

HALL PASSES

- Any student who leaves a classroom during class time must be accompanied by a teacher or have a hall pass form completed by a staff member. Passes must include the student's name, the date, time and purpose of the trip.
- Students should not take any side trips.
- **Only one student** at a time may be released from class except in an emergency.

HEALTH OFFICE

The School Nurse is on duty each school day during regular school hours. All emergencies should be reported immediately to the teacher, who will send or accompany the student to the health office. Except for emergencies, all students should have a pass written in their agenda from his/her teacher before reporting to the health office. Students should not go to the restroom if feeling ill. Students who have been absent due to an illness should be fever or nausea-free for 24 hours before returning to school.

No prescription medications or over the counter medications will be administered unless a Medication Permission Form is properly completed and signed by the PARENT and this form is on file in the school health office. ALL MEDICATIONS are to be kept in the health office and not carried by a student. All medications must be brought to school in their original containers by the parent. Arizona law requires students to be up to date with their immunizations in order to attend school. Upon entering 6th, 7th & 8th grade, students should be up to date with **all the following immunizations.**

<u>Immunization</u>	<u>Number</u>
DTP	4-5
IPV/OVP	4
MMR	2
Hep B	3
Varicella	2 (or date of disease)
Tdap	1 (must be 11 or older)
Meningococcal	1 (must be 11 or older)

WOLVES GUIDELINES

By law, we are unable to release your child to anyone who is not on his/her emergency contact list. For that reason, it is imperative to provide us with several emergency contacts and updated information if those contacts change in any way. If a child is left in temporary custody of another adult (i.e., parent on vacation or out-of-town), please notify the school office by filling out the Student Update Form located in the school office so we can add that adult to the student's emergency contact list. Parents may make updates to student's address & emergency contact information directly from ParentVUE. If a parent or emergency contact cannot be reached in the event of an emergency, 911 will be called.

CURRICULUM

White Cliffs Middle School follows the Arizona Academic Standards. White Cliffs also utilizes a variety of assessments throughout the school year to measure student progress. Students will participate in the following assessments: State Assessments, Benchmark Assessments and Formative Assessments.

TEXTBOOKS

Students are responsible for maintaining any textbooks issued. They must not write in books or intentionally damage them. Students will be charged for damage beyond the normal wear and for loss of books. Students will not receive replacements until payment is made. Students should check the condition of their books when issued. If students or parents feel that the condition listed is inaccurate, please bring this to the attention of the office immediately. Book covers are recommended.

HOMEWORK POLICY

Purpose of Homework

At White Cliffs Middle School, we believe there are several important purposes of homework.

- Homework builds responsibility, organization, and study skills.
- Homework allows for practice and reinforcement of a skill that has been taught in class.
- Homework can also serve as an extension of learning from the classroom environment.
- Homework may allow for a preview of upcoming learning that will take place in a new unit of study.
- Homework completion leads to better grades and higher overall academic achievement.
- Homework prepares students for real-life responsibilities they will encounter in future years.

Please keep in mind that there may be more homework on some evenings or weekends when long-term projects are assigned. In addition, the amount of time students take to complete homework assignments may vary. What may take one child 60 minutes, may take another child 30 minutes, and yet another 90 minutes. If your child takes substantially longer than the average time allotments to complete homework assignments, please schedule a meeting with his/her teachers.

HELPFUL HOMEWORK TIPS FOR PARENTS

Here are some helpful hints in assisting and/or supporting your child with his or her homework. You might also check the teachers' website/blog as available for periodic updates on assignments.

- Check the student agenda daily for assigned homework from each class.
- Designate and set aside a certain block of time for homework every evening.
- Find a quiet place in your home where your child can focus on completing homework.
- Homework assigned to your child is typically from the day's lesson and your child should be able to complete it by himself or herself. Provide support by checking in from time to time and give praise for good work.
- Check to make sure all homework has been completed at the end of the homework session each evening.
- Please encourage your child to use his/her time in class wisely; this will greatly diminish the amount of homework he/she has each evening.
- You can check your child's progress on Parent VUE to see how he/she is doing on his/her classwork/homework. Usernames and passwords will be available to all parents at registration, Back to School Night, conferences, etc. Should you not receive this information please contact the school.

WOLVES GUIDELINES

- Read the monthly editions of our school's newsletter (Wolf Words). They are sent home with students during the first week of the month. Wolf Words is also available on our school's web site at wcms.kusd.org.
- Look at the section of the student agenda where your child writes assignments and important dates.
- Be on the lookout for flyers that come home with your student.

LOST AND FOUND

Please bring any articles you have found to the Health Office. Lost and Found is located there. Any valuables that have been found and turned in to the office will remain in the office. After an extended period of time, articles will be disposed of, as there is a limited amount of storage space. If you lose something, always check the LOST AND FOUND in the Health Office and with the front office. Many good articles of clothing, jewelry, and other items are not claimed each year.

STUDENT VALUABLES

Students are responsible for personal property. The school is not responsible for any lost, stolen or damaged items. If it is necessary to bring more money than needed to pay for lunch, leave it in the office for safekeeping. **DO NOT** leave it in your backpack or classroom desk. The school will not take responsibility for the loss of such items. Expensive items should not be brought to school. Skates, scooters, skateboards, and shoe rollers are not to be used on campus. If these items are your transportation to school and home, outdoor lockers are provided and you will need to provide a lock.

MEDIA CENTER

The White Cliffs Library Media Center is open every day, for reading, researching, studying, and learning. Students may visit the library at any time with a pass written in your agenda from the classroom teacher. Up to five books may be checked out of the library for two-week periods, and may be renewed upon request. Consideration and thoughtfulness towards others should be a priority in the library since the entire school shares this space and the resources there. Please show mutual respect for others in the library by:

- Speaking in a low voice so that you do not disturb those trying to concentrate.
- Taking proper care of library books so that others may use them.
- Returning library books on time so that others have access to them.
- Always signing in so that teachers and the media center specialist know where you are and who has visited the library.
- Asking questions! The library staff is happy to help you locate information, teach you how to use a computer resource, recommend a book to read, or help you think through a research project.

PHYSICAL EDUCATION

Physical Education is an important part of a student's school experience. All students are scheduled for a semester of PE each year. Students can dress out in athletic attire/comfortable clothing if they chose. Students may wear sweat suits during winter months.

In case of illness or disability, notes from the parent will be accepted to excuse the student from that day of activities. **A DOCTOR'S WRITTEN NOTIFICATION WILL BE NECESSARY TO RELEASE ANY STUDENT FROM P.E. ACTIVITIES FOR MORE THAN ONE DAY.** The doctor's excuse should include length of release time from class, type of activity the student is restricted from, and any other pertinent information.

All clothes and personal items should be **locked** in the gym locker before students leave the locker room. Anything of value should be secured in the teacher's office before class begins. **THE STUDENT, NOT THE SCHOOL,** is responsible for his/her personal belongings.

WOLVES GUIDELINES

School personnel reserves the right to question disruptive or inappropriate attire and may confiscate any item that may be gang-related, criminal, or suggestive.

SUSPENSIONS

Parents will be notified when an infraction results in an In- or Out-of-School Suspension.

- When students are scheduled for a suspension and a Board Hearing, the length and type of suspension will be based on the severity of the infraction and whether the students are deemed threats to themselves or to the campus.
- Whenever there is a possibility that a criminal act has taken place, the school resource officer will be contacted to conduct an investigation.
- Out-of-School Suspension is served out of school.
- In-School Suspension is served in school.
- Short-term suspension: 1-10 days. Long-term suspension: longer than 10 days.

HARASSMENT/SEXUAL HARASSMENT

All students and staff have a right to learn and to work in an environment that is conducive to their well-being and which allows them the fullest opportunity to succeed. Any behavior that prevents or impedes an individual the freedom to learn or to work will be considered harassment. If individuals or groups have confrontational issues, then these people must be reported to the administration and steps taken to provide mediation and/or discipline. Failure to report conflicts to administration and to attempt to respond to the conflict through confrontation will result in school discipline.

All individuals will practice the Lifeskill of Integrity (to act according to a sense of what's right and wrong) to provide an atmosphere free from sexual harassment. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when made by a member of the school staff to a student or to another staff member, or when made by a student to another student or staff member. Sexual harassment may include, but is not limited to, suggestive or obscene written statements, slurs, jokes, epithets, assaults, touching, impeding or blocking movement, leering, gestures, or displaying sexually suggestive objects, pictures, or cartoons. Sexual harassment may also include expressing sexual interest after being told interest is unwelcome, withholding grades or scholastic support because sexual requests were denied or engaging in coercive sexual behavior to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.

All complaints of sexual harassment should be made to an administrator, and every complaint will be followed up in accordance with the sexual harassment policy contained in the district policy manual. All matters involving sexual harassment complaints will remain confidential to the fullest extent possible. The complete sexual harassment policy can be found in the district policy manual (A-033.1 – A-0331.2).

JURISDICTION OF SCHOOL AUTHORITY

The jurisdiction of the school is primarily limited to the school premises or at school-sponsored functions. However, school jurisdiction also extends to bus transportation, not only during a student's time on the bus, but also at the bus pick up and drop off areas. Some violations of the law which occur off school premises may result in disciplinary action if continued attendance in school or school functions is likely to be detrimental to the welfare of others. This includes a student's conduct during lunch hour.

STUDENT VIOLENCE / HARASSMENT / INTIMIDATION / BULLYING

The Governing Board of Kingman Unified School District #20 believes it is the right of every student to be educated in a positive, safe, caring, and respectful learning environment. The Governing Board further believes a school environment that is inclusive of these traits maximizes student achievement, fosters student personal growth, and helps a student build a sense of community that promotes positive participation as citizens in society.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying in any form will not be tolerated.

Bullying: Bullying may occur when a student or group of students engages in any form of behavior that includes such acts as intimidation and/or harassment that

- has the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or damage to property,
- is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm,
- occurs when there is a real or perceived imbalance of power or strength, or
- may constitute a violation of law.

Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to

- verbal, written/printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying,
- exposure to social exclusion or ostracism,
- physical contact including but not limited to pushing, hitting, kicking, shoving, or spitting, and
- damage to or theft of personal property.

Cyberbullying: Cyberbullying is, but not limited to, any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications, on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual's personal electronic media and equipment.

Harassment: Harassment is intentional behavior by a student or group of students that is disturbing or threatening to another student or group of students. Intentional behaviors that characterize harassment include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact and unwelcome verbal or written comments, photographs and graphics. Harassment may be related, but not limited to, race, religious orientation, sexual orientation, cultural background, economic status, size or personal appearance. Harassing behaviors can be direct or indirect and by use of social media.

Intimidation: Intimidation is intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

Students are prohibited from bullying on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums, or mailing lists.

Disciplinary action may result for bullying which occurs outside of the school and the school day when such acts result in a substantial physical, mental, or emotional negative effect on the victim, while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of the school system to maintain order. All suspected violations of law will be reported to local law enforcement.

Students who believe they are experiencing being bullied or suspect another student is bullied should report their concern to any staff member of the School District. School personnel are to maintain appropriate confidentiality of the reported information.
